CONVENTION
CENTRE

The heart & soul of
Australia's best events

The ASPCC caters for every kind of event from small meetings and conferences to exhibitions, gala award dinners, weddings and other celebrations. We offer professionally themed and decorated events, in conjunction with our in-house AV suppliers Staging Connections and unforgettable catered off-site experience

"Alice Springs is such a unique destination and the iconic Red Centre provides a magical backdrop and experience for any business event!" - Stewart Manson ASPCC Manager

OUR LOCATION

The Destination

Alice Springs is the iconic **Outback** of Australia. Serviced by Qantas and Virgin airlines, Alice Springs is no more than a 2.5hrs flight from every mainland capital city and offers some of the Nations best value accommodation rates.

'The Alice' enjoys a semi-arid environment with hot dry summer months, temperate clear Spring or Autumn days and what's often described as **Australia's warmest winters**.

Adjoined to the ASPCC is Crowne Plaza Alice Springs Lasseters, a 4 1/2 star 205 room resort featuring a full health club, day spa, four restaurants and bars, sports theatre, pool side cafe and international standard casino. There are also a further 4 additional hotels within walking distance of the convention centre district.

93 BARRETT DRIVE, ALICE SPRINGS, NT 0870

Alice Springs Convention Centre

THE CENTRE & FACILITIES

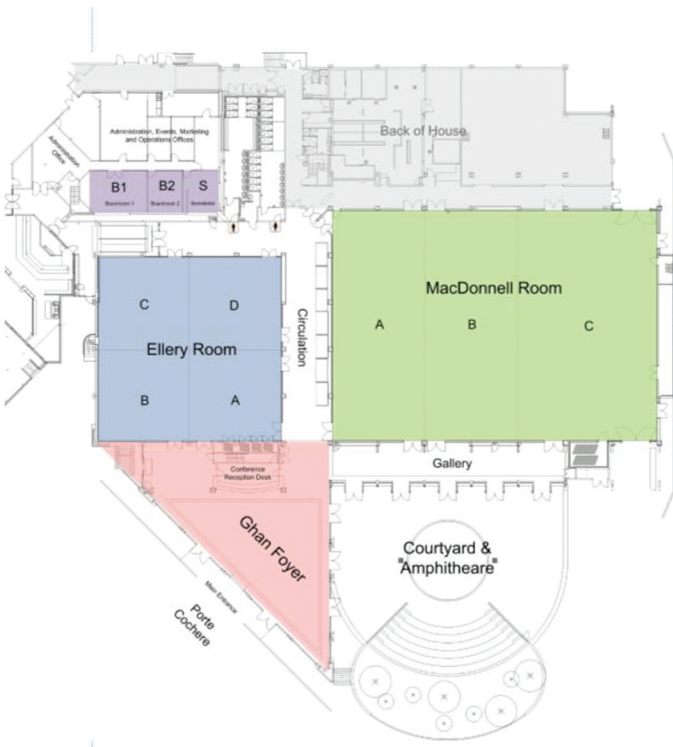

The Alice Springs Convention Centre's contemporary architecture reflects the colours of the Red Centre and the rustic appeal of outback Australia. The facility is equipped with state of the art technology, best practice environmental controls and excellent quality service delivery. Other unique selling points for the ASPCC include:

- Exclusive use of venue for +200 pax
- Free Wi-Fi
- Event theming
- Tailored menus
- In house AV specialists Staging Connections

The Alice Springs Convention Centre caters for groups ranging from meetings of 10 people through to conferences of 1,200 delegates and exhibitions involving up to 3,000 visitors. The design is a grid system for maximum versatility.
